

WTC LIFT TABLE

- Heavy-duty steel construction
- Hard chrome plated pump piston
- Make assembly work faster and easier
- Prevent back injuries - no lifting
- Strong metal wheels with polyurethane

WTC PALLET SCISSOR LIFT

- Combination pallet truck and lift table
- 2.200 lbs/ 1.000 kg capacity
- Raised height 32"/800 mm
- Two lifting speeds - for light and heavy loads
- Increase productivity - prevent back injuries

WTC MATERIAL HANDLING EQUIPMENT

WTC PALLET TRUCK

- 5.500 lbs/2.500 kg capacity
- 2 1/2"/63 mm lowered height available
- GS/TÜV approved in Germany
- Every unit 100% quality controlled
- Hard chrome plated pump piston

Combines the best features
of all pallet trucks

WTC PALLET TRUCK

- Maximum capacity.....5500 lbs/2.500 kg □
- Maximum height.....8”/200 mm □
- Lowered height.....2.9”/73 mm (2.5”/63 mm available) □
- Fork lengths.....36”/915 mm, 42”/1070 mm, 45”/1150mm, 48”/1220 mm □
- Fork widths outside.....27”/680 mm, 20 ½”/520 mm □
- Width of single fork.....5.9”/ 150 mm □
- Turning angle.....210° □
- Total length.....Fork length + 1 5”/380 mm □
- Total height.....46”/1175 mm □
- Weight.....191 lbs/86kg □
- Steer wheel dimension.....7.1”x2.7”/180x70 mm □
- Single load wheel dimension.....3.1”x2.9”/80x73 mm □
- Bogie load wheel dimension.....3.1”x2.9”/80x60 mm □
- Overload relief valve
- Fully re-buildable pump
- Self-lubricating bearings
- Reinforced forks
- Available with polyurethane, rubber or nylon wheels

WTC LIFT TABLE

- Maximum capacity.....700 lbs/350 kg1100 lbs/500 kg2200 lbs/ 1000 kg □
- Maximum height.....51”/1300 mm35”/900mm39”/1000 mm □
- Length of table.....35”/905 mm32”/815 mm39”/1 000mm □
- Width of table.....20”/512 mm19”/500 mm20”/512 mm □
- Lowered height.....13”/345 mm10”/270 mm6”/410 mm □
- Chrome plated pump piston
- Strong metal wheel with polyurethane
- Two fixed wheels, two swivel for easy maneuverability
- Two wheel brakes operated by foot pedal
- Double scissors

WTC SCISSOR LIFT

- Maximum capacity.....2200 lbs/1000 kg
- Maximum height.....32”/800 mm
- Lowered height.....3.5”/90 mm □
- Fork length.....45”/1150mm
- Fork widths outside.....27”/680 mm, 20 1/2”/520 mm □
- Turning angle.....230° □
- Total length.....59”/190 mm
- Total height.....48”/1210 mm
- Weight.....2641bs/119kg
- Steer wheel dimension.....5.9”x 1.6”/150x40 mm □
- Load wheel dimension.....3.1”x1.9”/80x50 mm
- Available with polyurethane or nylon wheels
- Two lifting speeds:

Quick lift 18 strokes to reach 32”/800 mm, max 300 kg

Easy lift - 55 strokes to reach 32”/800 mm, max 1000 kg
